Dear Ms Mohamud,

**UNDP: MOU AMENDMENT LETTER**

1. I refer to the MOU signed between DFID and the UNDP Country office in Lesotho on 17 December 2004 in anticipation of the Project 'Scaling up the response to HIV/AIDS through support to institutional mechanisms for coordinated and sustainable delivery' - 00042013, signed and approved by the Government of Lesotho on 21 January 2005. Following recent discussions and correspondence, DFID has approved an extension of the project to 31 December 2007, refocused to specifically support Lesotho's Know your Status Campaign.

2. Therefore the end date in paragraph 1 (one) of the MOU is deleted and replaced with 31 December 2007.

3. This letter of amendment will place on record our common understanding of the above change and the obligation of DfID to urgently release the final tranche of £200 000 upon signature by both parties. This note will be known as Amendment No. 1/2006.
